Classes and meetings, except for extrication practicals’, will be at the Bataan Memorial Veterans Street location.

The NMSFFA works non-stop for the first responders of New Mexico. We continue to work to provide education materials through our bookstore; provide help with research and information to assist in the operation of their departments, and monitoring the legislative happenings as to what will affect the fire service in the state

The New Mexico State Firefighters Association (NMSFFA) is an Association for **ALL** firefighters across the State of New Mexico. For over 100 years the NMSFFA has been working for the men and women of the fire service. We have fought for improvements in funding, training and retirement for the fire service. *Your support* is the only way for the Association to continue its mission of fighting for and caring for our brothers and sisters of the fire service. Please be sure to visit our website at www.nmsffa.com to review the most recent By-laws and Standard Operating Procedures for the association.

Enclosed you will find information for the upcoming Annual Conference with information on the trainings that are to be offered. ***YOU DON’T HAVE TO BE A MEMBER OF THE ASSOCIATION TO ATTEND THE TRAININGS.*** We hope you will consider becoming a member, or if you have let your membership lapse you will consider renewing your membership. There are several benefits and program goals for the Association: *Discounts on Training Materials, Educational Scholarships, Death Benefits, Membership Discount Program, Representation on State Fire Council, and a main goal is to have a State Fallen Firefighter Memorial established.*

The NMSFFA would like to **Thank YOU** for your continued support of your community and we would love to see you at the 101st Celebration. If you have any questions, please let us know. Stay Safe out there.

Sincerely,
 Malissa Austin-Mena
