

## **NMSFFA**

The New Mexico State Firefighters' Association is a member funded, non-profit (501c3) whose mission is to improve firefighting services through recruitment and retention, education, training, and legislative communication

### **Goals and Objectives**

- To provide a voice to first line fire service personnel in matters relating to the fire service within the State of New Mexico
- Provide a forum for the exchange of ideas and information on issues for the fire service within New Mexico and Nationally.
- To advocate for the New Mexico fire service in public matters affecting the fire services of the state.
- Promote a modern fire service capable of ensuring the safety of their communities.
- The development and maintenance of programs benefiting the entirety of the fire service within the State of New Mexico (Grants, Scholarships, Recognition of Fallen Firefighters, NM State Fallen Firefighters Memorial).
- To support and promote safety programs within communities throughout the state of New Mexico.
- To provide a way toward developing general improvement within the fire service throughout the state.
- To promote and advocate for benefits and recognition of New Mexico fire service personnel.
- To promote the organization of fire companies and fire departments in communities in need of such protection.
- Encourage a fraternal friendship among firefighters and their families
